

## Steel Enamel

Base metal is steel rather than brass. Color is recessed and metal separations are raised. Color fill is enamel allowing for PMS match.

Epoxy dome available at no additional cost. Add \$.06(A) for Gold or Black Nickel plating.

**Any Custom Shape.**

Steel Enamel	QTY		
	500	1,000	2,500
Size			
Up to 3/4"	1.18	0.86	0.82
